

Sponsorship Opportunity: Brownfields RLF Clark County, Nevada Workshop

Grow America and ICMA have launched a 2026 in-person training series for EPA Revolving Loan Fund (RLF) grantees, bringing together practitioners and decision-makers for focused learning and peer connection around brownfield redevelopment.

The fourth and final installment of this series will take place **December 8-9, 2026, in Clark County, Nevada**, with a focus on strategies and partnerships for RLFs to revolve their funds & contribute to redevelopment.

By sponsoring, you will connect with and gain visibility among local, regional, and state leaders actively driving brownfield projects. Sponsorship is an opportunity to build relationships, showcase expertise, & support impactful community development.

Sponsorship Options

As the **Primary Sponsor (\$2,500)**, you will:

- Be invited to have a dedicated table alongside event partners & distribute printed materials
- Have logo featured prominently in event materials
